

PTA REFLECTIONS

This year's theme: **Within Reach**

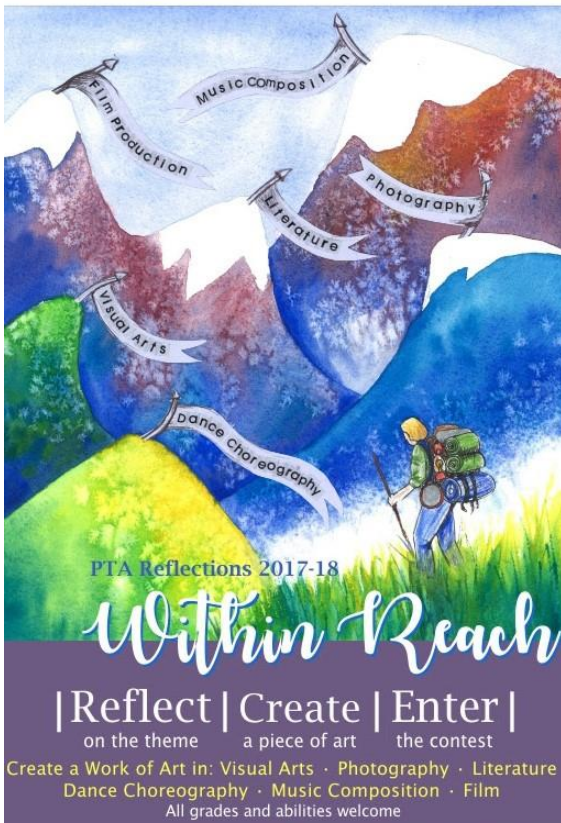

Welcome to the world of Reflections! Reflections is a National PTA Arts Program that gives students the opportunity to express themselves in any of the following areas:

- Visual Arts (drawing, painting, sculpture, metal etching, etc.)
- Photography
- Literature
- Music Composition
- Dance Choreography
- Video Production

PTA will accept **1** entry per student, per category. Every submission needs to be the **ORIGINAL** work of only **ONE** student, and must follow PTA Reflections Rules (See website for rules). The entries will be judged in their age categories 6th-8th. Up to three pieces in each category will be selected by the judges to be a part of the Jefferson County PTA display at Red Rocks Community College, and may even go on to the State or National Reflections program!

Most importantly though, **West Jefferson Middle School PTA wants to give our students the opportunity to express themselves and their talents in as many ways as possible!** We're excited to see what our talented students create for this program.

All pieces need to be submitted no later than October 3rd to the front office. Please see website or email **Heather Swegle** heatheress@gmail.com for all rules and requirements.

Just for Parents: This program is age based, and should be age appropriate. A student's best work may include crooked lines or misspelled words. You may give them feedback—for example, showing them how to brainstorm ideas or suggesting that they proofread their pieces, but please be sure that their final effort is truly their own work of art.

Please email Heather Swegle at heatheress@gmail.com if you have any questions. Good luck, and happy creating!
