

# Conifer High School

10441 County Hwy 73 🐾 Conifer, Colorado 80433

---

December 16, 2019

Dear 8th Grade Student and Parents,

On behalf of faculty and staff we would like to extend an early "Lobo" welcome to Conifer High School. It is hard to believe we are already in the planning stages for the graduating class of 2024! We would like to make sure that you have the chance to take advantage of every opportunity that is involved in the registration process at Conifer, so we have included a timeline below for you and your child. We are very proud of our school and community and look forward to personally meeting you and your child.

The first step in the registration process is for you and your student to explore our website and registration materials. Please feel free to visit the school website at <https://conifer.jeffcopublicschools.org/>. Here you will find our registration guide, 8th grade registration sheet, graduation requirements and information about our amazing school. Please mark the following important dates on your calendar.

**Tuesday, January 7<sup>th</sup>, 2020** Counselors will be at West Jefferson Middle School during the day to walk through the registration process and answer any questions your child may have concerning Conifer. Our student Peer Counselors will join them in order to give your children insight into the next four years at Conifer High School from a student perspective.

**Evening of Wednesday, January 8<sup>th</sup> from 5:45pm - 8:00pm** You and your child are invited to an open house "Curriculum Night" at Conifer High School. We welcome you to visit with the staff to ask questions of our course offerings, sports, clubs, theatre, music, band and other opportunities at Conifer High School. There will be a short presentation from Principal Wesley Paxton and the Conifer counselors will go over the registration process, graduation requirements and other important information concerning future steps for your student.

**Tuesday, January 14<sup>th</sup> and Wednesday, January 15<sup>th</sup>** Counselors will pick up registration materials from students during Advisement at West Jefferson Middle School and review each student's course selection to make sure it is correctly entered into the computer.

If you have additional questions or concerns, please feel to reach out to your child's counselor listed below:

Kim Spease  
Students A – G  
303-982-4136
