Dear 8th grade student and parents,

On behalf of faculty and staff we would like to extend an early “Lobo” welcome to Conifer High School. It is hard to believe we are already in the planning stages for the graduating class of 2026! We would like to make sure that you have the chance to take advantage of every opportunity that is involved in the registration process at Conifer so we have included a timeline below for you and your student. We are very proud of our school and community and look forward to personally meeting you and your students.

The first step in the registration process is for you and your student to explore our website and registration materials. Please feel free to visit the school website and find [Registration Information](#). Here you will find our registration guide, 9th grade registration sheet, graduation requirements and information about our amazing school.

Please mark the following important dates on your calendar:

Monday, January 10 and Tuesday, January 11, 2022 – The CHS Counselors will be visiting WJMS during Social Studies classes to talk about high school, graduation requirements, class selection, and registration. Senior and Junior Peer Counselors will also join the Counselors to answer student questions and talk about their high school experiences.

Wednesday, January 12, 2022 – CHS will host a Curriculum Showcase and the CHS Counselors will be going over the registration process and will answer questions you might have. This will give you the opportunity to speak to teachers, counselors, clubs, and coaches on what CHS has to offer your students! Information tables for Activities & Athletics will begin at 5:30, followed by the registration process at 6:00 p.m.

Tuesday, January 18 and Wednesday, January 19, 2022 – The Counselors will be at WJMS to go over class selection with each student in Infinite Campus, during Homeroom. Please make sure your student is prepared and the registration process is complete.

If you have additional questions or concerns please feel to reach out to your student’s counselor listed below:
