Meal Balance Notice

DID YOU KNOW?

When your student has a negative meal balance (meaning, they owe money for food they have consumed)...

...that negative balance continues to grow, and follows them throughout their time at Jeffco?

...they are unable to purchase a la carte items during school lunch (i.e. a bottle of water, or an extra slice of pizza) even with cash in hand?

GO TO www.SCHOOLCAFE.com TODAY!

Here, you can pay your balance, add money to your student's account, or even set restrictions on purchases.

QUESTIONS?

Q. How do I have a negative balance when meals have been free for two years?

A. Negative balances continue to grow and follow a student during their time in Jeffco. The negative balance likely preceded the pandemic.

Q. I cannot pay this debt right now. Do you offer a payment plan?

A. If you require a payment plan, we can accept payments of any size until your balance is paid off. Interest will not accrue.

Q. What if my student has a negative balance and is graduating this year?

A. Please have your senior check their account balance in the cafeteria before graduation. If they have money in their account, they can spend it, request a refund, or make a donation.

If your student has a negative balance, please pay the amount owed by check or cash in the cafeteria, or online at www.SchoolCafe.com. If you have any questions, please email JeffcoSchoolFood@jeffco.k12.co.us or call 303-982-2174.
