## What *does* the WJMS PTA do, anyway?

Did you know WJMS PTA invests about \$25,000 in the school and students each year? Our budget covers educational materials, guest speakers and presenters, social events, teacher support, scholarships and more! Without PTA, it is likely many of the following events would not exist at WJMS:

- Scholarships for Outdoor Lab and Band/Orchestra Trip
- Teacher Grants and School Support
- WEB Support
- Teacher/Staff Appreciation Week
- PTA Reflections
- School and Community Socials
- 8<sup>th</sup> Grade continuation party
- ...and so many more activities and projects!

With your support and membership, the PTA can continue to offer these programs to our kids and community, allowing WJMS to remain a fabulous environment for our children to learn and grow. Your support makes a difference!
