| <input type="checkbox"/> | Tour 8 Thursday, September 29 th | 11:30 AM - 1:00 PM |

Warren Tech is the designated Career and Technical (CTE) Education center for Jeffco Public Schools and the springboard to a competitive edge in college readiness and career opportunities.

Students in 36 innovative programs work with experienced faculty and industry partners to engage in real-world professional projects. Students earn over 13,000 free college credits and 1,600 industry certifications yearly.

An extension of all Jeffco high schools, juniors and seniors attend Warren Tech Central, North, or South for half the day and their home high schools the other half. Credits earned at Warren Tech count toward graduation from students' home high schools.
