Principal Halingstad, Dan and Craig,

Congratulations! West Jefferson Middle School has fulfilled the requirements put forth by ADL Mountain States region and is now officially designated as a 2023/2024 No Place for Hate® School!

The entire West Jefferson Middle School community should be extremely proud of achieving this designation for the FIRST YEAR! An especially loud shoutout to those Colts on West Jefferson Middle School's No Place for Hate Coalition – students and staff – who put their hearts, minds, and actions into earning this designation.

In keeping anti-bias work as an essential tenet, West Jefferson Middle School continues to display that diversity, equality, equity, and inclusion are central not just to the education and development of our students, but in the life-long learning and growth of the adults in their lives, too.

You will receive your official 2023/2024 No Place for Hate designation banner in the next couple of weeks. Additionally, digital images of your personalized banner and recognition logo will be sent to Dan so that you can share West Jefferson Middle School's hard work in any physical and digital communications with the community (newsletters, websites, social media, etc.). You will also be receiving a Certificate of Designation in the mail.

We will be certain to let you know when registration opens for the 2024/2025 program year.

Along with the rest of the ADL Mountain States Team, **CONGRATULATIONS on West Jefferson Middle School being designated a 2023/2024 No Place for Hate School!**

Sincerely,
