

CONIFER ROTARY CLUB BACKPACK PROGRAM

Dear Parent/Guardian,

The Rotary Club of Conifer is a service organization providing support to our community. In addition to meeting to learn about resources available in our community, the club supports non-profits in the area, provides college scholarships to local high school students and has fundraising events throughout the year to support our efforts to serve the community. Our motto is Service Above Self.

One program we support that may interest you is the **Backpack Program** where we partner with your child's school. This program is designed to provide students who eat at school during the week with a bag of non-perishable food for the weekend. The food will be delivered to your child at school every Friday. Special food packs are also delivered at the beginning of school breaks to cover the additional days your child is not in school.

You do not need to qualify for this program. If you turn in this form, your child and any children not attending school will be enrolled. Your information will not be shared with anyone other than the school. Please turn in this form to your child's classroom teacher or the school office.

PLEASE PRINT

Name of Child _____ Age _____

Teacher _____ Grade _____

Name of Parent(s) _____

Phone (Home) _____ (Work or Cell) _____

Signature _____

Please list other children in the house under the age of 18 years old

Food Allergies _____
